| New Product Set up form			
Product Code		120093	
Product Description		Corrugated Clam shell - Menu box (HP4) - (3 x 50's)	
Commodity/Intrastate code for Product		4819100	
Country of Origin			
Case Spec			
Case pack size (i.e. 20 packs x 25 sleeves)		3 x 50	
Case Quantity		150	
Case weight (full case) in kg		6.5	
Outer Case total CBM (i.e 0.35652)		0.0927	
Outer Case measurments in mm (length, width and Depth)	Length (mm)	Width (mm)	Height (mm)
	46	42	48
Case per Pallet		16	
Cases per Layer		4	
Layer per pallet		4	
Barcodes			
Inner		5391527797715	
Outer		5391527797005	
Product spec			
Product material eg. PP, PET, Paper, foil etc…		paper	
Unit Weight			
Unit length			
Unit thickness			
Units measure in mm (width, height and depth)		170*80H*160	
Recyceld (Y or N)		Y	
Compostable (Y or N)		Y	
Recyclable (Y or N)		Y	
Biodegradable (Y or N)		Y	
Unit Gsm (For Paper)		130+100+100	
Unit Paper material (For paper)			
Material type (Ivory board, duplex board, PP, PET etc…)		kraft paper board	
Thickness of Material (microns etc)			
Print Process (off set , flexo etc)

Secondary and Tertiary Packaging Details			
Secondary packaging spec i.e. what holds the products e.g. inner Sleeve or inner box inside main box			
Weight		N/A	
Material		N/A	
Tertiary Packaging - Outer Box empty			
Material		Brown Cardboard Carton	
Weight			
See explanation below			

Primary or sales unit

Finished product, which the customer buys and takes way.

Secondary or 'shelf-ready' packaging

Used to collate sales units for ease of handling in the selling environment e.g. corrugated outer case; tray and shrink film

Tertiary or transit packaging

These packs are used to facilitate handling and transport of a number of secondary packs in order to prevent physical handling and transport damage
