

 CATERING DISPOSABLES A MORE PERSONAL APPROACH TO SERVICE General Product Spec Sheet				
Catering Disposables Product Code	L8CFB120			
Catering Disposables Product Description	Logic8 120m blue c/feed (6)			
Commodity/Intrastate code for Product	48182091			
Country Of Origin :	Ireland			
Bar Codes				
Outer Barcode	5391527795056			
Inner Barcode	N.A			
Dimensions				
Product Dimensions	Unit Weight (Grams)	Roll Length (mm)	Core Diameter (mm)	Roll Diameter(mm)
Paper Hand Towel Roll	0.808	120m(+/-5%)	60	192
Product material (eg. PP, PET, Paper, foil etc...)	Paper			
Colour	Blue			
Sheet Dimensions	Sheet length (mm) - 200 mm / Sheet Width (mm) - 168 mm			
Roll - Sheets per roll / Length per roll (M's)	750 (+/-5%) / 150m(+/-5%)			
GSM	18			
Ply & Presentation	2 Ply - Embossed & Laminated			
Is the product lined?	No			
If lined, please select with what material				
Print Process (off set , flexo etc)	N.A			
Is the product microwavable? (Y or N)	No			
Can it be used in the oven? (Y or N)	No			
Is it freezable? (Y or N)	No			
Is the product Food Grade?	Yes			
	If yes, do you have a cert?			
	Yes			
Compostable (Y or N)	Yes			
	If yes, do you have a cert?			
	Yes			
Recyclable (Y or N)	Yes			
	If yes, do you have a cert?			
	Yes			
Biodegradable (Y or N)	Yes			
	If yes, do you have a cert?			
	Yes			
Recycled Material (Y or N)	N.A			
	If yes, is it post-consumer material?	If yes, is it post-production material?	If yes, is it from collected waste?	
	If you know what %, please advise			
Case Specification				
Units per sleeve	6			
Sleeves per case	1			
Case Quantity	6			
Case gross weight (kg)	4.85			

Case net weight (kg)	4.90		
Outer Case measurements in mm	Length (mm)	Width (mm)	Height (mm)
	570	380	168
Outer Case total CBM - Calculated Automatically when entering in case measurments	0.0363888		
Inner pack Specification			
Inner pack sleeve mesurements in mm	Length (mm)	Width (mm)	Height (mm)
	—	—	—
Inner pack sleeve weight (grams)	—		
Pallet Specification			
Cases (For pallet deliveries only)	Cases per Pallet	Cases per layer	Layers per Pallet
	65	5	13
Pallet	Yes		
	Euro Pallet	UK Standard	Other (Specify)
		X	
Traceability			
Storage and Shelf Life	Ambient, dry place		
Describe batching system	Product code and description, Order number, Quantity, Barcode number		
Product Batching	Yes		
Sleeve/Inner Pack Batching	Yes		
Outer Box/Bag Batching	Yes		
Marketing			
Key attributes of product (microwavable, ovenable, environmental, etc...)	Recyclable , Compostable		
Image of product	Image of product in sleeve/inner pack	Outer case image	
			
Secondary and Tertiary Packing Details			
Secondary (Packaging spec i.e. what holds the products e.g. inner Sleeve or inner box inside main box)	Weight (kg)	Material	Recyclable or Compostable?
	0.042	LDPE	Recyclable
Tertiary (Outer Box empty)	Weight (kg)☐	Material	Recyclable or Compostable?
	0.254	Clear PE	Recyclable
Primary or sales unit Finished product, which the customer buys and takes way. Secondary or 'shelf-ready' packaging Used to collate sales units for ease of handling in the selling environment e.g. corrugated outer case, tray and shrink film Tertiary or transit packaging These packs are used to facilitate handling and transport of a number of secondary packs in order to prevent physical handling and transport damage
