Refuse Bags - Spec Sheet

CATERING DISPOSABLES
A MORE PERSONAL APPROACH TO SERVICE

Catering Disposables Product Code	150003
Catering Disposables Product Description	26 x 44 Hi Grade black refuse sacks (8 x 25)
Commodity/Intrastate code for Product	3923210000
Country of origin:	Turkey

Bar Codes

Inner	5391537240065
Outer	5390548115478

Dimensions

Product Dimensions	Unit Weight (g)	Unit dimensions (mm) (height, width)	Unit Capacity Full (ml)	Weight product can hold (kg)
	54.3	660 x 1118	120 L	20 Kg

Product Specification

Product material (eg. PP, PET, Paper, foil etc...)	PE
Material Colour	Black
Polymer Mix	Minimum 60% Black PE Granule
Thickness of Material (microns etc)	40 Micron
Is the product lined?	No
If lined, please select with what material	
Print Process (off set , flexo etc)	No
String tie (Y or N)	No
Seal type (eg. star, flat etc...)	Flat Seal
On a roll or Flat packed	Roll
Does the product have a bandroll? (Y or N)	Yes
If yes, can this be printed? (Y or N)	Yes

Is the product Food Grade?	No
	If yes, do you have a cert?

Plastic free (Y or N)	No
	If yes, do you have a cert?

Compostable (Y or N)	No
	If yes, do you have a cert?

Recyclable (Y or N)	Yes
	If yes, do you have a cert?
	Yes

Biodegradable (Y or N)	
	If yes, do you have a cert?
	No

Recycled Material (Y or N)	Yes		
	If yes, is it post-consumer material?	If yes, is it post-production material?	If yes, is it from collected waste?
	Yes		Yes
	If you know what %, please advise		
	100		

Case Specification

Units per sleeve	25
Sleeves per case	8
Case Quantity	200
Case gross weight (kg)	10.86
Case net weight (kg)	10.26

Outer Case measurements in mm	Length (mm)	Width (mm)	Height (mm)
	345	200	305

Outer Case total CBM - Calculated Automatically when entering in case measurements	0.021045

Inner pack Specification

Inner pack sleeve mesurements in mm	Length (mm)	Width (mm)	Height (mm)
	100	330	100

Inner pack sleeve weight (grams)	1360

Pallet Specification

Cases (For pallet deliveries only)	Cases per Pallet	Cases per layer	Layers per Pallet
	72	4	18

Pallet	Euro Pallet	UK Standard	Other (Specify)
		1000x1200 mm	

Traceability

Strorage and Shelf Life	Cool and dry place. / 1 Year
Describe batching system	Product code and description, Order number, Quantity, Barcode number
Product Batching	Yes
Sleeve/Inner Pack Batching	Yes
Outer Box/Bag Batching	Yes

Marketing

Key attributes of product (microwavable, ovenable, environmental, etc...)	Recycled , Strong.

Image of product	Image of product in sleeve/inner pack	Outer case image

Tertiary (Outer Box empty)	Weight (kg)	Material	Recyclable or Compostable?
	0.3	Cardboard	Compostable

See explanation below

Primary or sales unit
Finished product, which the customer buys and takes way.

Secondary or 'shelf-ready' packaging
Used to collate sales units for ease of handling in the selling environment e.g. corrugated outer case, tray and shrink film

Tertiary or transit packaging
These packs are used to facilitate handling and transport of a number of secondary packs in order to prevent physical handling and transport damage
