

Catering Disposables Product Code	210087			
Catering Disposables Product Description	Surface/ Probe Disinfectant wipes			
Commodity/Intrastate code for Product	3808949090			
Country Of Origin :	UK			
<b>Bar Codes</b>				
Outer Barcode	5025254048368			
Inner Barcode	5025254027035			
<b>Dimensions</b>				
Product Dimensions	Unit Weight (gm)	Unit Sheet length (mm)	Unit Sheet Width (mm)	Roll Diameter(mm)
Prob Wipe Container	295	127	120	N.A
<b>Product material (eg. PP, PET, Paper, foil etc...)</b>				
	Plastic - Container /100% Polypropylene - recyclable -Wipes			
Colour / Fragrance	White Container (Blue wipe) / Unscented			
Product Type	PT02 - Disinfectants			
Unit GSM / Thickness (micron)	19 GSM +/- 5%			
Roll Length (mm) / Roll Width (mm)	24000 /125			
Ingredient(s)	Triamine			
Dispensing Method	Center Pull			
Alcohol Content	0			
PH Value	7.5			
Is the product lined?	No			
If lined, please select with what material				
Print Process (off set , flexo etc)/ Embossed	Plane - No print			
Is the product microwavable? (Y or N)	No			
Can it be used in the oven? (Y or N)	No			
Is it freezable? (Y or N)	No			
Is the product Food Grade?	Yes			
	If yes, do you have a cert?			
	Yes			
Compostable (Y or N)	No			
	If yes, do you have a cert?			
	No			
PSC Number & Safety Data sheet	Yes			
	Yes			
Recyclable (Y or N)	Yes			
	If yes, do you have a cert?			
	Yes			
Recycled Material (Y or N)	Yes			
	If yes, is it post-consumer material?	If yes, is it post-production material?	If yes, is it from collected waste?	
	If you know what %, please advise			
	30% PCR			
<b>Case Specification</b>				
Units per sleeve	200			

Sleeves per case	10		
Case Quantity	2,000		
Case gross weight (kg)	3.13		
Case net weight (kg)	2.95		
Outer Case measurements in mm	Length (mm)	Width (mm)	Height (mm)
	440	190	185
Outer Case total CBM - Calculated Automatically when entering in case measurements	0.015466		
<b>Inner pack Specification</b>			
Inner pack sleeve measurements in mm	Length (mm)	Width (mm)	Height (mm)
	84	84	170
Inner pack sleeve weight (grams)	295		
<b>Pallet Specification</b>			
Cases (For pallet deliveries only)	Cases per Pallet	Cases per layer	Layers per Pallet
	80	10	8
Pallet	Euro Pallet	UK Standard	Other (Specify)
		X	
<b>Traceability</b>			
Storage and Shelf Life	Ambient, Cool & Dry place / 24 months.		
Describe batching system	Product code and description, Order number, Quantity, Barcode number		
Product Batching	Yes		
Sleeve/Inner Pack Batching	Yes		
Outer Box/Bag Batching	Yes		
<b>Marketing</b>			
Key attributes of product (microwavable, ovenable, environmental, etc...)	Environmentally friendly, No alcohol content		
Image of product	Inner Sleeve	Outer Case	
			
<b>Secondary and Tertiary Packing Details</b>			
Secondary (Packaging spec i.e. what holds the products e.g. inner Sleeve or inner box inside main box)	Weight (kg)	Material	Recyclable or Compostable?
	0.560	LLDPE	Recyclable
Tertiary (Outer Box empty)	Weight (kg)Ⓜ	Material	Recyclable or Compostable?
	0.180	Corrugated	Recyclable
 <p><b>Primary or sales unit</b> Finished product, which the customer buys and takes way.</p> <p><b>Secondary or 'shelf-ready' packaging</b> Used to collate sales units for ease of handling in the selling environment e.g. corrugated outer case, tray and shrink film</p> <p><b>Tertiary or transit packaging</b> These packs are used to facilitate handling and transport of a number of secondary packs in order to prevent physical handling and transport damage</p>
