Catering Disposables Product Code	150010			
Catering Disposables Product Description	26 x 42 Special Clear refuse sacks (8x25` s)			
Commodity/Intrastate code for Product	392321000019			
Country Of Origin :	Turkey			
Bar Codes				
Outer Barcode	5391527790556			
Inner Barcode	5391537240201			
Dimensions				
Product Dimensions	Unit Weight (gm)	Length (mm)	Width (mm)	Roll Length /Diameter (mm)
Plastic Bag Dimension	32.48	1070	660	335 / 95
Product material (eg. PP, PET, Paper, foil etc...)				
LDPE				
Colour	Clear			
Fold Type	C Fold			
Production Process	Thermoformed			
Cubic Capacity (L)	120			
Film Thickness (micron)	25			
Drop Test weight (kg)	15			
Is the product lined?	No			
If lined, please select with what material				
Print Process (off set , flexo etc)	N.A			
Is the product microwavable? (Y or N)	No			
Can it be used in the oven? (Y or N)	No			
Is it freezable? (Y or N)	Yes			
Is the product Food Grade?	No			
	If yes, do you have a cert?			
Compostable (Y or N)	No			
	If yes, do you have a cert?			
Recyclable (Y or N)	Yes			
	If yes, do you have a cert?			
	Yes			
Biodegradable (Y or N)	No			
	If yes, do you have a cert?			
Recycled Material (Y or N)	Yes			
	If yes, is it post-consumer material?	If yes, is it post-production material?	If yes, is it from collected waste?	
			Yes	
	If you know what %, please advise			
	100			
Case Specification				
Units per sleeve	25			
Sleeves per case	8			
Case Quantity	200			

Case gross weight (kg)	6.49		
Case net weight (kg)	6.24		
Outer Case measurements in mm	Length (mm)	Width (mm)	Height (mm)
	305	165	346
Outer Case total CBM - Calculated Automatically when entering in case measurments	0.01741245		
Inner pack Specification			
Inner pack sleeve mesurements in mm	Length (mm)	Width (mm)	Height (mm)
	335	95	95
Inner pack sleeve weight (grams)	811		
Pallet Specification			
Cases (For pallet deliveries only)	Cases per Pallet	Cases per layer	Layers per Pallet
	72	24	3
Pallet	Euro Pallet	UK Standard	Other (Specify)
		X	
Traceability			
Storage and Shelf Life	Ambient, Cool & Dry place / 5 Year.		
Describe batching system	Product code and description, Order number, Quantity, Barcode number		
Product Batching	Yes		
Sleeve/Inner Pack Batching	Yes		
Outer Box/Bag Batching	Yes		
Marketing			
Key attributes of product (microwavable, ovenable, environmental, etc...)	Made from 100% recycled material and fully recyclable		
Image of product	Image of product in sleeve/inner pack	Outer case image	
			
Secondary and Tertiary Packing Details			
Secondary (Packaging spec i.e. what holds the products e.g. inner Sleeve or inner box inside main box)	Weight (kg)	Material	Recyclable or Compostable?
Tertiary (Outer Box empty)	Weight (kg)Ⓜ	Material	Recyclable or Compostable?
	0.250	Corrugated Box	Compostable
<div><div><p>Primary or sales unit</p><p>Finished product, which the customer buys and takes way.</p></div><div><p>Secondary or 'shelf-ready' packaging</p><p>Used to collate sales units for ease of handling in the selling environment e.g. corrugated outer case, tray and shrink film</p></div><div><p>Tertiary or transit packaging</p><p>These packs are used to facilitate handling and transport of a number of secondary packs in order to prevent physical handling and transport damage</p></div></div>
